

Uma rede mundial de clubes de
programação gratuitos para
crianças de 9 a 12 anos.

Por que programar?

Benefícios

Pensamento
computacional

Exercitar a
criatividade

Entender como o
computador funciona

Comunicação,
colaboração e
compartilhamento

O Code Club no Mundo

Hoje já somos mais de
10.000 clubs no mundo!

Code Club no Brasil

No Brasil já somos mais de
300 code clubs, com um
16.300 crianças atendidas
desde 2013, e uma base de
1.300 voluntários cadastrados.

* Dados da pesquisa feita com os Club Leaders em novembro/dezembro de 2014
